

UNIGIS Geospatial Events Grants (GEG) Call 2018/1

The UNIGIS International Association is announcing the call for the "Geospatial Events Grants" (GEG) funded by UNIGIS International Association and industry partners.

The objective of the GEG is to connect active UNIGIS students with the international geospatial community and to create added value within the UNIGIS network. Participating in a leading Geospatial event will enhance the learning experience beyond lessons and exercises and is of course an excellent opportunity to establish new contacts with GIS experts from all over the world.

The call considers the following list of events taking place between June 2018 and January 2019 eligible for grant sponsorship:

- a) [Hexagon Live Conference](#), 12-15 June, 2018, Las Vegas, USA
- b) [GISCA](#), 14-17 June, 2018, Almaty, Kazakhstan
- c) [GI Forum](#), 3-6 July 2018, Salzburg, Austria
- d) [Esri UC](#), 9-13 July 2018, San Diego, USA
- e) [AGILE 2018](#), 6-10 August, 2018, San Diego, USA
- f) [FOSS4G 2018](#), 27-31 August 2018, Dar es Salaam, Tanzania
- g) [INSPIRE](#) Conference, 18-21 September, Antwerp, Belgium
- h) [Esri Developer Summit Europe](#), 23-25 October 2018, Berlin, Germany
- i) [The United Nations World Geospatial Information Congress](#), 19 - 21 November 2018, Deqing, Zhejiang, China
- j) Other international geospatial events can be suggested for consideration

Funding

- The grant is a **lump sum of 500 Euro** per student towards the cost of attending
- Previous GEG grant recipients are not eligible
- The grant will be disbursed to the student after attending the event and submitting all information/documentation required (*refer to 4. Documentation after attendance of event*)

Application Procedure

1. Application criteria

- Active UNIGIS students;
Exception: presentation of recently accepted Master Thesis
- Application must be submitted before attending the event

2. How to apply?

- Please complete the application form (*application form GEG.docx*), CV and motivation letter
- Submit all documents compiled into ONE pdf (yourname_UNIGIS site.pdf) via e-mail to UIA Office office.uia@unigis.net

3. Selection process & time schedule:

Application	March 1 – April 30, 2018
Last day of submission of applications/documents	April 30, 2018
Review of applications and selection	May 1 - 30, 2018
Notification on selection results and information about further steps	May 30, 2018

4. Documentation after attendance of event:

- a) Proof of active attendance (paper, poster, panel, etc.) in the event is mandatory for the disbursement of the grant
- b) Draft text and picture(s) for UIA blog, website & general PR/communication purpose;
